	<p>Tips for the Lazy Gardener by Antony Atha</p>	<p>(Abe Books) The perfect reference guide for those who lack the time or experience, but want to make the most of their garden. With 150 four-color photographs throughout, separate sections on roses, annuals, perennials, bulbs, vegetable and herb gardens, shrubs, a special calendar to use as a guide for planting, as well as tips on equipment, this book is an invaluable, one-volume reference.</p>
	<p>500 Popular Annuals & Perennials by Loretta Barnard</p>	<p>(Abe Books) Virtually everything gardeners need to know about annuals and perennials comes together in this handsome, heavily illustrated book. Comprehensive advice focuses on planting, cultivation, and flowering times of plants, with suggestions for attention-catching color combinations. Profiles of plants are arranged alphabetically, with each entry presenting - Descriptions, Cultivation advice, Planting times - Flowering seasons, Climate information, including reference to a climate zone map...</p>
	<p>The Annual Garden by Jennifer Bennett</p>	<p>(Abe Books) Longtime gardening editor and writer Jennifer Bennett and photographer Turid Forsyth have combined their considerable skills to create "The Annual Garden", a welcome companion to Firefly Books' bestselling The Harrowsmith Perennial Garden. Acknowledging the traditional view of annuals as the garden's "poor relatives", the authors warmly endorse the qualities that these plants offer. Fast growth, variety, versatility, scent and sheer good looks, they conclude, make annuals ideal additions to every garden.</p>
	<p>Annual Flowers by John Bradshaw</p>	<p>No description available at this time.</p>
	<p>Illustrated Guide to Gardening in Canada by Carroll Calkins</p>	<p>(Amazon) This 640 page book is jam packed with drawings, and information about growing and sustaining plants in Canada. The book is laid out in sections such as Trees, Shrubs & Vines, Roses (they have their own section!), Perennials, Annuals and Biennials, Tubers, Irises, Rock Plants, lilies, Water Plants, Herbs, Soil, House Plants, Green House Gardening, etc. The book is not packed with colour photos but every tree, shrub or plant is detailed meticulously with black and white drawings. I've found the drawings sufficient to identify plants using the book.</p>
	<p>Annuals by Carol Landa Christensen</p>	<p>No description available at this time.</p>
	<p>Favorite Annuals by Marjorie Harris</p>	<p>(Abe Books) All are easy to grow and maintain and suit a wide range of growing conditions. Marjorie's friendly, straight-up kind of writing and Paddy Wales' gorgeous full-color photos make this series a sure-fire springtime seller.</p>
	<p>Amazing Annuals by Marjorie Mason Hogue</p>	<p>(Abe Books) <i>Amazing Annuals</i> is the long-awaited guide to the best of these new plants: more than 300 container and garden plants including the newest annuals, the latest bulbs, complete instructions for growing plants from seed to cutting and much more.</p>
